### Some Folks Feel The Rain - Others Just Get Wet

by James W. Moore

What does the title mean? It means that some folks are vividly aware of what's going on around them; they are tuned in, sensitive, receptive, responsive. They lead with their hearts; they feel the joy; and they triumph over the pain. But, sadly, many people today don't celebrate; they just cope. They don't enjoy; they just endure. They don't embrace life; they just idle through it.
